

UBICAZIONE SU CTR "TRATTO 3 B-E-F-G"- Scala 1:2.000

The map shows a topographic representation of the area around Fontanelle. A blue line with red dashed segments indicates the proposed water supply line, labeled with red letters G, F, E, and B1. The line starts near a cluster of buildings at the top left, passes through a valley, and then ascends a hillside. A reservoir, labeled 'SERBATOIO B' in red, is located at the bottom center of the map. The area is characterized by numerous contour lines indicating elevation, with values ranging from 26.7 to 231.6 meters. A small building complex is labeled 'Casa la Salvezione'. The name 'Fontanelle' is written in large, spaced-out letters across the middle of the map. The map also shows various other features like roads, streams, and smaller buildings.

PARTICOLARI "PUNTO E (P344)" - Scala 1:500

Diagram illustrating the layout of the road section "PUNTO E (P344)" at a scale of 1:500. The drawing shows a road with a centerline and a red line indicating the centerline. A red circle marks the location of the "P344" marker, which is labeled "E". A red line connects the "P344" marker to a "riduttore di pressione" (pressure reducer) symbol. The diagram also shows a "P344" marker on the right side of the road, labeled "E". The drawing is labeled "PUNTO E (P344)" and "Scala 1:500".
